In the old town of Gračišće, we are selling an old villa.

The villa has a floor plan of 266m2, on 3 floors. Large garden behind the house of 114m2.

It consists of a ground floor, where there are large stone slabs on the floor, there is also a bathroom. The ground floor has access to a large garden with a barn.

On the first floor there is an entrance hall, bedroom and kitchen with living room. On the second floor there are 3 more rooms.

This is a beautiful old villa, which needs to be completely renovated and restored to its old glory!
