We are selling two new detached houses with holiday pools, sold only in a package, both.

Each house has its own pool, garden houses, and landscaped and maintained garden. Secured parking spaces.
And each house functions as an independent unit.

Each house has three bedrooms, three bathrooms + toilets, and large, open living rooms with kitchens. Exits to gardens and pools. All are completely modernly furnished.

The houses are connected to the yard, so they can be rented to a larger group (12-14 people) if the property is bought for investment.
