We are selling a building plot in Mukalba for the construction of a residential building with three apartments, each apartment on its own floor, each apartment measuring approximately 100 m2, or for the construction of a detached family house with a swimming pool.

The land is clean, the access to the land is neat, the land is staked and water and electricity are connected to the land.

For the field, an analysis was done in the municipality of Medulin so that it is possible to obtain a building permit for construction immediately.
