This wonderful land is located on the edge of a small town near the medieval town of Svetvinčent. The land has a gentle slope to the south, offering a view of the greenery and the sea in the distance. It has a rectangular shape with dimensions of approximately 90 x 75 meters, with a neat access road. It is a combined plot of land, with 2,250 m2 of building area, which has already been divided into three plots for the construction of holiday homes. The plot is cleared and ready for construction, and it is partly fenced with dry wall and trees. The infrastructure is only about 100 meters away. This is an excellent location for building real estate in a quiet environment, ideal for holiday homes.
