We are selling a house with three apartments in a great location.

The apartment on the ground floor of the house consists of one bedroom, a bathroom, a kitchen, a dining room and a living room with access to a large garden.

The internal stairs lead to the first floor, where there is an apartment with two bedrooms, a bathroom, a kitchen, a dining room and a living room that opens onto a large terrace.

The last floor consists of an apartment with one bedroom, bathroom, kitchen, dining room and living room with access to the terrace.

The whole house has central heating with city gas, each apartment has its own air conditioner.

The house was renovated last year, completely new exterior joinery with mosquito nets.

In the garden there is a parking lot for vehicles, a barbecue and there is enough space for a swimming pool if someone wants it.
