I am selling a beautiful land in the municipality of Svetvinčenat. Ideally located in the immediate vicinity of the village, yet in a quiet area - on the edge of the construction area - which guarantees peace and enjoyment of nature!

The land for sale consists of a building and a non-building part, which is intended as a garden for the future building.

Ideal for building a holiday villa, i.e. a family house with a swimming pool, with a nice garden and parking for owners and guests, a garden....

Ownership 1/1, geodetic representation of the actual condition, marked boundaries, location information.

For lovers of Istria, its gentleness and colors!
