Building plot with conceptual design in Gocan.

We are selling a building plot of 784m² with a conceptual project for the construction of a family house. The land is in beautiful nature surrounded by greenery.

The land has a neat access road.

According to the project, a multi-storey building would be located on this land, which would consist of a covered entrance, corridor, staircase, kitchen with dining room, living room, bedrooms with bathroom, separate toilet, sauna, laundry room and a spacious covered terrace on the ground floor. The upper floor of the house would consist of a hallway, three bedrooms, each with its own bathroom, and a loggia. There would be a swimming pool with 2 parking spaces in the garden.

Ownership neat 1/1.
