A brand new offer!

The newly built residential building is located in an excellent location, only 400 m from the sea.

Apartment S6, total area 65.85, is located on the 1st floor of a 3-story building and consists of an entrance hall, living room with kitchen and dining room, 2 bedrooms, bathroom, storage room, and terrace.

Heating/cooling in all rooms is solved by air conditioning. The building consists of 15 apartments and is built with high-quality Porotherm bricks. The facade is energy-efficient with thermal insulation 10 cm thick. The building has an elevator.

The apartments are equipped with high-quality PVC joinery, air conditioners, sanitary equipment, and first-class tiles that the buyer can choose according to his wishes. At the customer's request, it is possible to install underfloor heating.

The apartment has one parking space and one storage room.

All facilities necessary for life are located immediately near the apartment.

The buyer is exempt from paying a real estate sales tax of 3%.
