We are selling an apartment in a new residential complex in Štinjan. The complex consists of 19 two-story residential buildings. The location of the new residential complex is excellent, just one kilometer away from the center of Štinjan and in close proximity to an elementary school, a kindergarten, the city beach Hidrobaza, a pharmacy, and only four kilometers from the center of the city of Pula and three kilometers from the center of the village of Fažana.

Access to the residential complex is provided via an asphalted surface, which will include all necessary infrastructure (electricity, water, sewage).

The apartment labeled SLRC is located on the second floor of the building and consists of a hallway, storage room, living room with kitchen and dining area, 2 bedrooms, a bathroom, and a balcony.

What makes this project special is the architectural design of the facade of the residential buildings and the green roofs that appear on the facade.

Each residential unit is allocated the required number of parking spaces according to the urban plan of the city of Pula, measuring 2.50m x 5.00m. Each parking sp...
