Pula, one of the most desirable cities in Istria, offers a combination of Mediterranean lifestyle, developed infrastructure and proximity to the sea.

Valdebek is a quiet and sought-after residential area that is continuously developing and is an increasingly common choice for family life and long-term investment.

Apartment for sale in a quality new building, building D, apartment D1, located on the ground floor with a garden. The building is fully constructed, and the issuance of the occupancy permit is expected soon.

The apartment is equipped with modern and energy-efficient heating and cooling systems:

High-quality Daikin heating and cooling system, with low-profile indoor units placed next to the floor (radiator type), for a comfortable and even temperature throughout the year

Underfloor heating in the living room, hallway and bathroom
