For Sale - Modern, New Apartments in Peroj.

In the charming small town of Peroj, two modern residential buildings are under construction, comprising a total of 12 exclusive apartments designed to provide comfort, functionality, and a modern lifestyle.

The project includes two buildings with three floors, each containing 6 apartments. The architecture combines modern design, sustainable materials, and energy-efficient solutions, with the option to install smart home systems and solar panels.

Z1-Apartment S2 - Ground Floor with Garden

This apartment is located on the ground floor of the building and consists of: an entrance hallway, two bedrooms, a bathroom, a spacious living room with a kitchen and dining area, and a terrace leading to a private garden.

This modern building is being constructed using carefully selected materials and integrated smart installations, with an emphasis on sustainability and safety:

Smart systems: smart water valves that automatically shut off the main supply valves in case of leaks.

Energy efficiency: renewable energy sources for lower costs and reduced environmental impact....
