For sale is a spacious apartment with an area of 88.32 m² located on the fourth floor of a residential building without an elevator, built in the late 1980s, in the very center of Pula. It is just a five-minute walk from the main city market.

The apartment consists of 3.5 rooms - a living room and three additional rooms, a kitchen, a bathroom, a separate toilet, two hallways, and two balconies.

The property also includes a private parking space, a laundry drying room on the floor, a storage room, and access to the attic, which further enhances the functionality and comfort of living.

Thanks to its excellent location in the city center and spacious layout, the apartment is ideal for family life or as an investment.
