****Sale of Apartments in a New Residential Complex – Medulin****

We offer apartments in a modern residential complex located in Medulin, one of the most attractive tourist micro-locations in southern Istria. The location, in close proximity to the sea, well-maintained beaches, and all key amenities, makes this project exceptionally desirable for living, as well as a secure investment.

Thanks to its excellent position, there is a stable and long-term demand for tourist rentals, along with significant potential for property value growth.

The complex consists of a total of 8 buildings:

- residential buildings
- mixed-use buildings with commercial spaces on the ground floor

Part of the complex includes an underground garage, ensuring quality parking organization and preservation of outdoor space.

The project also encompasses:

- landscaped green areas
- outdoor living zones
- modern traffic and utility infrastructure

The concept is designed to meet the needs of long-term living as well as tourist rentals.

We offer an apartment with a total area of 76.29 m², located on the 1st floor
