In a peaceful and pleasant area of Novigrad, there is a modern terraced house, ideal for year-round living, vacation, or tourist rental.

The property boasts 123 m² of living space and offers a functional layout, plenty of natural light, and a comfortable living environment. A special feature is the private courtyard of 183 m², providing ample space for relaxation, socializing, and creating a Mediterranean garden. The house also includes two parking spaces.

The house spans two levels (ground floor + first floor) and contains 4 bedrooms and 4 bathrooms, ensuring maximum comfort for family living or tourist rental. One of the main advantages of this property is the spacious rooftop terrace of 58 m², finished with high-quality WPC flooring. The terrace is equipped with installations for a summer kitchen and a jacuzzi, allowing for the creation of an exclusive space for enjoyment and outdoor living.

Quality materials and modern technical solutions were used in the construction:

- Fan-coil heating and cooling system
- Heat pump for hot water preparation
- Air recovery system
- Automatic lawn irrigation with a rai...
