For sale is a modern detached house in Galižana, built in a contemporary style, which combines high-quality furnishings and a high standard of living. Located in a quiet area, the house offers a beautiful view of the sea, complete privacy, and comfort.

The living area measures 117 m², while the garden covers 293 m², carefully landscaped to provide maximum comfort and space for relaxation.

The interior is designed according to modern standards and consists of a spacious living room with a kitchen and dining area, two spacious bedrooms, and two stylishly designed bathrooms. A special feature of the property is the sauna, ideal for relaxation throughout the year.

A large glass sliding door connects the living room to the outdoor space, allowing for plenty of natural light and an unobstructed view of the garden and the sea.

The exterior of the house is designed for pleasant outdoor living and includes a garden kitchen, perfect for meal preparation and gatherings during the warmer months.

The house is equipped with top-notch technology and quality materials:

- Underfloor heating
- Heat pump
- Three-phase elect...
