For sale is a plot of land in Šišanj, with a total area of 917 m², located at the very end of the construction zone, in a peaceful location surrounded by greenery and nature.

Of the total area, 896 m² is designated as building land, while the remaining 21 m² represents the access road.

A geodetic base has been prepared for the land, projects for the construction of two houses have been developed, and the documentation has been submitted for a building permit.

The land represents an excellent opportunity for investors, as well as for buyers looking to build two houses for residential use, vacation, or tourist rental.
