For sale is a construction land of 823 m² with a building permit and the beginning of construction of a family house – the foundations have been laid.

A main project has been developed for the property, which envisions a modern family house on two levels, with a total usable area of approximately 155 m², along with terraces and other open spaces.

According to the project, the ground floor includes a spacious living room with a dining area and kitchen, a study, a bathroom, and other auxiliary rooms, while the upper floor is designed to have three bedrooms, two walk-in closets, and a bathroom.

The plot provides ample space for landscaping a garden, parking, terraces, and other amenities, according to the needs of the future owner.

This property represents an excellent opportunity for a buyer who wants to continue the already started construction according to the existing project, with a building permit and already laid foundations.

Ideal for building a modern family home and creating a quality living space or as an investment.
