Apartment Sales in a New Residential Complex – Medulin

We offer apartments in a modern residential complex located in Medulin, one of the most attractive tourist micro-locations in southern Istria. The location, in close proximity to the sea, well-maintained beaches, and all essential amenities, makes this project exceptionally desirable for living as well as a secure investment.

Thanks to its excellent position, there is a stable and long-term demand for tourist rentals, along with significant potential for property value growth.

The complex consists of a total of 8 buildings:

- Residential buildings
- Mixed-use residential-commercial buildings with business facilities on the ground floor

Part of the complex includes an underground garage, ensuring quality parking organization and preservation of outdoor space.

The project also encompasses:

- Well-maintained green areas
- Outdoor living zones
- Modern traffic and utility infrastructure

The concept is designed to meet the needs of long-term living as well as tourist rentals.
